

## COVID 19 Protocol at Posy House Styling Co.

Hello Friends,

Below is the protocol that I (and many salons) will be implementing for our upcoming appointments.

I am not sure how long these will stay in place, but at least for the initial couple of months, here is what you can expect the following at your appointment:

1. Please limit the amount of items you bring into the studio - ie, aim for keys, phone and method of payment if possible
2. *Application of hand sanitizer* (or proper hand wash) upon arrival
3. *Masks for you and I both.* Please bring your own if you have one, as I will have a limited supply here for emergencies. You may want a disposable if it's a colour appointment!
4. *Please limit the amount of people per visit.* I will take 1 person at a time, unless you have one person in your bubble attending with you (as long as they are old enough to understand the rules).
5. *Limited colour appointments* (i.e., No long, time-consuming transformations quite yet b/c we will need to keep our visits as short as possible)
6. *Limited touch points* (i.e., I won't be supplying beverages or magazines - you may bring your own beverage though!)
7. *Thorough sanitizing of space* - especially touch-points - in between each guest (chairs, sinks, washroom, door knobs, tools, station, payment area)
8. **Cut only:** please come with clean, dry hair. In most cases, I will dry-cut or spritz down if needed; no wash or extensive blow-dry quite yet (unless necessary)
9. **Colour Guests:** just a quick (but thorough) wash, and in most cases, no major blow-dry (unless necessary)
10. If I am not at the door to greet you when you pull in, please text me before *entering*.

I won't be doing temperature checks, but if you or anyone in your household feels unwell in any way, do not book. You are *most definitely* able to cancel at the last minute if you feel that you may be coming down with something.

Thank you for your patience with all of this, and I can't wait to see you all soon!
